STATE ELIGIBILITY—SPECIFIC CONDITIONS

§ 300.121 Free appropriate public education (FAPE).

(a) *General.* Each State must have on file with the Secretary information that shows that, subject to § 300.122, the State has in effect a policy that ensures that all children with disabilities aged 3 through 21 residing in the State have the right to FAPE, including children with disabilities who have been suspended or expelled from school.

(b) *Required information.* The information described in paragraph (a) of this section must—

(1) Include a copy of each State statute, court order, State Attorney General opinion, and other State documents that show the source of the State's policy relating to FAPE; and

(2) Show that the policy—

(i)(A) Applies to all public agencies in the State; and

(B) Is consistent with the requirements of §§ 300.300–300.313; and

(ii) Applies to all children with disabilities, including children who have been suspended or expelled from school.

(c) *FAPE for children beginning at age 3.* (1) Each State shall ensure that—

(i) The obligation to make FAPE available to each eligible child residing in the State begins no later than the child's third birthday; and

(ii) An IEP or an IFSP is in effect for the child by that date, in accordance with § 300.342(c).

(2) If a child's third birthday occurs during the summer, the child's IEP team shall determine the date when services under the IEP or IFSP will begin.

(d) *FAPE for children suspended or expelled from school.* (1) A public agency need not provide services during periods of removal under § 300.520(a)(1) to a child with a disability who has been removed from his or her current placement for 10 school days or less in that

school year, if services are not provided to a child without disabilities who has been similarly removed.

(2) In the case of a child with a disability who has been removed from his or her current placement for more than 10 school days in that school year, the public agency, for the remainder of the removals, must—

(i) Provide services to the extent necessary to enable the child to appropriately progress in the general curriculum and appropriately advance toward achieving the goals set out in the child's IEP, if the removal is—

(A) Under the school personnel's authority to remove for not more than 10 consecutive school days as long as that removal does not constitute a change of placement under § 300.519(b) (§ 300.520(a)(1)); or

(B) For behavior that is not a manifestation of the child's disability, consistent with § 300.524; and

(ii) Provide services consistent with § 300.522, regarding determination of the appropriate interim alternative educational setting, if the removal is—

(A) For drug or weapons offenses under § 300.520(a)(2); or

(B) Based on a hearing officer determination that maintaining the current placement of the child is substantially likely to result in injury to the child or to others if he or she remains in the current placement, consistent with § 300.521.

(3)(i) School personnel, in consultation with the child's special education teacher, determine the extent to which services are necessary to enable the child to appropriately progress in the general curriculum and appropriately advance toward achieving the goals set out in the child's IEP if the child is removed under the authority of school personnel to remove for not more than 10 consecutive school days as long as that removal does not constitute a change of placement under § 300.519 (§ 300.520(a)(1)).

(ii) The child's IEP team determines the extent to which services are necessary to enable the child to appropriately progress in the general curriculum and appropriately advance toward achieving the goals set out in the child's IEP if the child is removed because of behavior that has been deter-

mined not to be a manifestation of the child's disability, consistent with § 300.524.

(e) *Children advancing from grade to grade.* (1) Each State shall ensure that FAPE is available to any individual child with a disability who needs special education and related services, even though the child is advancing from grade to grade.

(2) The determination that a child described in paragraph (a)(1) of this section is eligible under this part, must be made on an individual basis by the group responsible within the child's LEA for making those determinations.

(2)(i) Students aged 18 through 21 to the extent that State law does not require that special education and related services under Part B of the Act be provided to students with disabilities who, in the last educational placement prior to their incarceration in an adult correctional facility—

(B) Did not have an IEP under Part B of the Act.

(ii) The exception in paragraph (a)(2)(i) of this section does not apply to students with disabilities, aged 18 through 21, who—

(A) Had been identified as a child with disability and had received services in accordance with an IEP, but who left school prior to their incarceration; or

(B) Did not have an IEP in their last educational setting, but who had actually been identified as a "child with a disability" under § 300.7.

§ 300.123

(ii) The exception in paragraph (a)(3)(i) of this section does not apply to students who have graduated but have not been awarded a regular high school diploma.

(2) With the SEA's agreement, the Part C lead agency's participation may include the actual implementation of child find activities for infants and toddlers with disabilities.

(3) The use of an interagency agreement or other mechanism for providing for the Part C lead agency's participation does not alter or diminish the responsibility of the SEA to ensure compliance with the requirements of this section.

(d) *Construction.* Nothing in the Act requires that children be classified by their disability so long as each child who has a disability listed in § 300.7 and who, by reason of that disability, needs special education and related services is regarded as a child with a disability under Part B of the Act.

(e) *Confidentiality of child find data.* The collection and use of data to meet the requirements of this section are subject to the confidentiality requirements of §§ 300.560–300.577.

(ii) On alternate assessments (not later than July 1, 2000).

(b) *Combined reports.* Reports to the public under paragraph (a) of this section must include—

(4) *Coordination of services procedures.* Policies and procedures for agencies to determine and identify the interagency coordination responsibilities of each agency to promote the coordination and timely and appropriate delivery of services described in paragraph (b)(1) of this section.

(b) *Obligation of noneducational public agencies.* (1) *General.* (i) If any public agency other than an educational agency is otherwise obligated under Federal or State law, or assigned responsibility under State policy or pursuant to paragraph (a) of this section, to provide or pay for any services that are also considered special education or related services (such as, but not limited to, services described in § 300.5 relating to assistive technology devices, § 300.6 relating to assistive technology services, § 300.24 relating to related services, § 300.28 relating to supplementary aids and services, and § 300.29 relating to transition services) that are necessary for ensuring FAPE to children with disabilities within the State, the public agency shall fulfill that obligation or responsibility, either directly or through contract or other arrangement.

(ii) A noneducational public agency described in paragraph (b)(1)(i) of this section may not disqualify an eligible service for Medicaid reimbursement because that service is provided in a school context.

(2) *Reimbursement for services by noneducational public agency.* If a public agency other than an educational agency fails to provide or pay for the special education and related services described in paragraph (b)(1) of this section, the LEA (or State agency responsible for developing the child's IEP) shall provide or pay for these services to the child in a timely manner. The LEA or State agency may then claim reimbursement for the services from the noneducational public agency that failed to provide or pay for these services and that agency shall reimburse the LEA or State agency in accordance with the terms of the interagency

agreement or other mechanism described in paragraph (a)(1) of this section, and the agreement described in paragraph (a)(2) of this section.

(c) *Special rule.* The requirements of paragraph (a) of this section may be met through—

- (1) State statute or regulation;
- (2) Signed agreements between respective agency officials that clearly identify the responsibilities of each agency relating to the provision of services; or
- (3) Other appropriate written methods as determined by the Chief Executive Officer of the State or designee of that officer.

(d) *Information.* The State must have on file with the Secretary information to demonstrate that the requirements of paragraphs (a) through (c) of this section are met.

(e) *Children with disabilities who are covered by public insurance.* (1) A public agency may use the Medicaid or other public insurance benefits programs in which a child participates to provide or pay for services required under this part, as permitted under the public insurance program, except as provided in paragraph (e)(2) of this section.

(2) With regard to services required to provide FAPE to an eligible child under this part, the public agency—

- (i) May not require parents to sign up for or enroll in public insurance programs in order for their child to receive FAPE under Part B of the Act;
- (ii) May not require parents to incur an out-of-pocket expense such as the payment of a deductible or co-pay amount incurred in filing a claim for services provided pursuant to this part, but pursuant to paragraph (g)(2) of this section, may pay the cost that the parent otherwise would be required to pay; and
- (iii) May not use a child's benefits under a public insurance program if that use would—

(A) Decrease available lifetime coverage or any other insured benefit;

(B) Result in the family paying for services that would otherwise be covered by the public insurance program and that are required for the child outside of the time the child is in school;

(C) Increase premiums or lead to the discontinuation of insurance; or

(D) Risk loss of eligibility for home and community-based waivers, based on aggregate health-related expenditures.

(f) *Children with disabilities who are covered by private insurance.* (1) With regard to services required to provide FAPE to an eligible child under this part, a public agency may access a parent's private insurance proceeds only if the parent provides informed consent consistent with § 300.500(b)(1).

(2) Each time the public agency proposes to access the parent's private insurance proceeds, it must—

(i) Obtain parent consent in accordance with paragraph (f)(1) of this section; and

(ii) Inform the parents that their refusal to permit the public agency to access their private insurance does not relieve the public agency of its responsibility to ensure that all required services are provided at no cost to the parents.

(g) *Use of Part B funds.* (1) If a public agency is unable to obtain parental consent to use the parent's private insurance, or public insurance when the parent would incur a cost for a specified service required under this part, to ensure FAPE the public agency may use its Part B funds to pay for the service.

(2) To avoid financial cost to parents who otherwise would consent to use private insurance, or public insurance if the parent would incur a cost, the public agency may use its Part B funds to pay the cost the parents otherwise would have to pay to use the parent's insurance (e.g., the deductible or co-pay amounts).

(h) *Proceeds from public or private insurance.* (1) Proceeds from public or private insurance will not be treated as program income for purposes of 34 CFR 80.25.

(2) If a public agency spends reimbursements from Federal funds (e.g., Medicaid) for services under this part, those funds will not be considered "State or local" funds for purposes of the maintenance of effort provisions in §§ 300.154 and 300.231.

(i) *Construction.* Nothing in this part should be construed to alter the requirements imposed on a State Medicaid agency, or any other agency administering a public insurance program by Federal statute, regulations or policy under title XIX, or title XXI of the Social Security Act, or any other public insurance program.

§ 300.145 Recovery of funds for misclassified children.

long-term suspensions and expulsions of children with disabilities—

(1) Among LEAs in the State; or

(2) Compared to the rates for non-disabled children within the agencies.

(b) *Review and revision of policies.* If the discrepancies described in paragraph (a) of this section are occurring, the SEA reviews and, if appropriate, revises (or requires the affected State agency or LEA to revise) its policies, procedures, and practices relating to the development and implementation of IEPs, the use of behavioral interventions, and procedural safeguards, to ensure that these policies, procedures, and practices comply with the Act.

§ 300.153 State-level nonsupplanting.

(a) *General.* (1) Except as provided in § 300.230, funds paid to a State under Part B of the Act must be used to supplement the level of Federal, State, and local funds (including funds that are not under the direct control of the SEA or LEAs) expended for special education and related services provided to

children with disabilities under Part B of the Act and in no case to supplant these Federal, State, and local funds.

(2) The State must have on file with the Secretary information to demonstrate to the satisfaction of the Secretary that the requirements of paragraph (a)(1) of this section are met.

(b) *Waiver.* If the State provides clear and convincing evidence that all children with disabilities have available to them FAPE, the Secretary may waive, in whole or in part, the requirements of paragraph (a) of this section if the Secretary concurs with the evidence provided by the State under § 300.589.

§ 300.154 Maintenance of State financial support.

(a) *General.* The State must have on file with the Secretary information to demonstrate, on either a total or per-capita basis, that the State will not reduce the amount of State financial support for special education and related services for children with disabilities, or otherwise made available because of the excess costs of educating those children, below the amount of that support for the preceding fiscal year.

(b) *Reduction of funds for failure to maintain support.* The Secretary reduces the allocation of funds under section 611 of the Act for any fiscal year following the fiscal year in which the State fails to comply with the requirement of paragraph (a) of this section by the same amount by which the State fails to meet the requirement.

(c) *Waivers for exceptional or uncontrollable circumstances.* The Secretary may waive the requirement of paragraph (a) of this section for a State, for one fiscal year at a time, if the Secretary determines that—

(1) Granting a waiver would be equitable due to exceptional or uncontrollable circumstances such as a natural disaster or a precipitous and unforeseen decline in the financial resources of the State; or

(2) The State meets the standard in § 300.589 for a waiver of the requirement to supplement, and not to supplant, funds received under Part B of the Act.

(d) *Subsequent years.* If, for any fiscal year, a State fails to meet the requirement of paragraph (a) of this section,

including any year for which the State is granted a waiver under paragraph (c) of this section, the financial support required of the State in future years under paragraph (a) of this section must be the amount that would have been required in the absence of that failure and not the reduced level of the State's support.

(3) The percentage of those amounts, if any, that will be distributed to LEAs by formula.

(b) If a State's plans for use of its funds under §§ 300.370 and 300.620 for the forthcoming year do not change from the prior year, the State may submit a letter to that effect to meet the requirement in paragraph (a) of this section.

**LEA AND STATE AGENCY ELIGIBILITY—
GENERAL**

§ 300.180 Condition of assistance.

An LEA or State agency is eligible for assistance under Part B of the Act for a fiscal year if the agency demonstrates to the satisfaction of the SEA that it meets the conditions in §§ 300.220–300.250.

(Authority: 20 U.S.C. 1413(a))

§ 300.181 Exception for prior LEA or State agency policies and procedures on file with the SEA.

If an LEA or a State agency described in § 300.194 has on file with the SEA policies and procedures that demonstrate that the LEA or State agency meets any requirement of § 300.180, including any policies and procedures filed under Part B of the Act as in effect before June 4, 1997, the SEA shall consider the LEA or State agency to have met the requirement for purposes of receiving assistance under Part B of the Act.

(Authority: 20 U.S.C. 1413(b)(1))

§ 300.182 Amendments to LEA policies and procedures.

(a) *Modification made by an LEA or a State agency.* (1) Subject to paragraph (b) of this section, policies and procedures submitted by an LEA or a State agency in accordance with this subpart remain in effect until it submits to the SEA the modifications that the LEA or State agency decides are necessary.

(2) The provisions of this subpart apply to a modification to an LEA's or State agency's policies and procedures in the same manner and to the same extent that they apply to the LEA's or State agency's original policies and procedures.

(b) *Modifications required by the SEA.* The SEA may require an LEA or a State agency to modify its policies and procedures, but only to the extent necessary to ensure the LEA's or State agency's compliance with this part, if—

(1) After June 4, 1997, the provisions of the Act or the regulations in this part are amended;

(2) There is a new interpretation of the Act by Federal or State courts; or

(3) There is an official finding of non-compliance with Federal or State law or regulations.

(Authority: 20 U.S.C. 1413(b))

§ 300.183 [Reserved]

§ 300.184 Excess cost requirement.

(a) *General.* Amounts provided to an LEA under Part B of the Act may be used only to pay the excess costs of providing special education and related services to children with disabilities.

§ 300.185

(b) *Definition.* As used in this part, the term *excess costs* means those costs that are in excess of the average annual per-student expenditure in an LEA during the preceding school year for an elementary or secondary school student, as may be appropriate. Excess costs must be computed after deducting—

- (1) Amounts received—
 - (i) Under Part B of the Act;
 - (ii) Under Part A of title I of the Elementary and Secondary Education Act of 1965; or
 - (iii) Under Part A of title VII of that Act; and
- (2) Any State or local funds expended for programs that would qualify for assistance under any of those parts.

(c) *Limitation on use of Part B funds.*

(1) The excess cost requirement prevents an LEA from using funds provided under Part B of the Act to pay for all of the costs directly attributable to the education of a child with a disability, subject to paragraph (c)(2) of this section.

(2) The excess cost requirement does not prevent an LEA from using Part B funds to pay for all of the costs directly attributable to the education of a child with a disability in any of the ages 3, 4, 5, 18, 19, 20, or 21, if no local or State funds are available for non-disabled children in that age range. However, the LEA must comply with the nonsupplanting and other requirements of this part in providing the education and services for these children.

(Authority: 20 U.S.C. 1401(7), 1413(a)(2)(A))

§ 300.185 Meeting the excess cost requirement.

(a)(1) *General.* An LEA meets the excess cost requirement if it has spent at least a minimum average amount for the education of its children with disabilities before funds under Part B of the Act are used.

(2) The amount described in paragraph (a)(1) of this section is determined using the formula in § 300.184(b). This amount may not include capital outlay or debt service.

(b) *Joint establishment of eligibility.* If two or more LEAs jointly establish eligibility in accordance with § 300.190, the minimum average amount is the average of the combined minimum average

34 CFR Ch. III (7–1–02 Edition)

amounts determined under § 300.184 in those agencies for elementary or secondary school students, as the case may be.

(Authority: 20 U.S.C. 1413(a)(2)(A))

§§ 300.186–300.189 [Reserved]

§ 300.190 Joint establishment of eligibility.

(a) *General.* An SEA may require an LEA to establish its eligibility jointly with another LEA if the SEA determines that the LEA would be ineligible under this section because the agency would not be able to establish and maintain programs of sufficient size and scope to effectively meet the needs of children with disabilities.

(b) *Charter school exception.* An SEA may not require a charter school that is an LEA to jointly establish its eligibility under paragraph (a) of this section unless it is explicitly permitted to do so under the State's charter school statute.

(c) *Amount of payments.* If an SEA requires the joint establishment of eligibility under paragraph (a) of this section, the total amount of funds made available to the affected LEAs must be equal to the sum of the payments that each LEA would have received under §§ 300.711–300.714 if the agencies were eligible for these payments.

(Authority: 20 U.S.C. 1413(e)(1), and (2))

§ 300.191 [Reserved]

§ 300.192 Requirements for establishing eligibility.

(a) *Requirements for LEAs in general.* LEAs that establish joint eligibility under this section must—

(1) Adopt policies and procedures that are consistent with the State's policies and procedures under §§ 300.121–300.156; and

(2) Be jointly responsible for implementing programs that receive assistance under Part B of the Act.

(b) *Requirements for educational service agencies in general.* If an educational service agency is required by State law to carry out programs under Part B of the Act, the joint responsibilities given to LEAs under Part B of the Act—

(1) Do not apply to the administration and disbursement of any payments

received by that educational service agency; and

(2) Must be carried out only by that educational service agency.

(c) *Additional requirement.* Notwithstanding any other provision of §§ 300.190–300.192, an educational service agency shall provide for the education of children with disabilities in the least restrictive environment, as required by § 300.130.

(b) The agency meets the other conditions of this subpart that apply to LEAs.

(Authority: 20 U.S.C. 1413(i))

§ 300.195 [Reserved]

§ 300.196 Notification of LEA or State agency in case of ineligibility.

If the SEA determines that an LEA or State agency is not eligible under Part B of the Act, the SEA shall—

(a) Notify the LEA or State agency of that determination; and

(b) Provide the LEA or State agency with reasonable notice and an opportunity for a hearing.

(Authority: 20 U.S.C. 1413(c))

§ 300.197 LEA and State agency compliance.

(a) *General.* If the SEA, after reasonable notice and an opportunity for a hearing, finds that an LEA or State agency that has been determined to be eligible under this section is failing to comply with any requirement described in §§ 300.220–300.250, the SEA shall reduce or may not provide any further payments to the LEA or State agency

until the SEA is satisfied that the LEA or State agency is complying with that requirement.

(b) *Notice requirement.* Any State agency or LEA in receipt of a notice described in paragraph (a) of this section shall, by means of public notice, take the measures necessary to bring the pendency of an action pursuant to this section to the attention of the public within the jurisdiction of the agency.

(c) In carrying out its functions under this section, each SEA shall consider any decision resulting from a hearing under §§ 300.507–300.528 that is adverse to the LEA or State agency involved in the decision.

(b) Will be used only to pay the excess costs of providing special education and related services to children with disabilities, consistent with §§ 300.184–300.185; and

(c) Will be used to supplement State, local, and other Federal funds and not to supplant those funds.

§ 300.231 Maintenance of effort.

(a) *General.* Except as provided in §§ 300.232 and 300.233, funds provided to an LEA under Part B of the Act may not be used to reduce the level of expenditures for the education of children with disabilities made by the LEA from local funds below the level of those expenditures for the preceding fiscal year.

(b) *Information.* The LEA must have on file with the SEA information to demonstrate that the requirements of paragraph (a) of this section are met.

(c) *Standard.* (1) Except as provided in paragraph (c)(2) of this section, the SEA determines that an LEA complies with paragraph (a) of this section for purposes of establishing the LEA's eligibility for an award for a fiscal year if the LEA budgets, for the education of children with disabilities, at least the same total or per-capita amount from either of the following sources as the LEA spent for that purpose from the same source for the most recent prior year for which information is available:

(i) Local funds only.

(ii) The combination of State and local funds.

(2) An LEA that relies on paragraph (c)(1)(i) of this section for any fiscal year must ensure that the amount of local funds it budgets for the education of children with disabilities in that year is at least the same, either in

total or per capita, as the amount it spent for that purpose in—

(i) The most recent fiscal year for which information is available, if that year is, or is before, the first fiscal year beginning on or after July 1, 1997; or

(ii) If later, the most recent fiscal year for which information is available and the standard in paragraph (c)(1)(i) of this section was used to establish its compliance with this section.

(3) The SEA may not consider any expenditures made from funds provided by the Federal Government for which the SEA is required to account to the Federal Government or for which the LEA is required to account to the Federal Government directly or through the SEA in determining an LEA's compliance with the requirement in paragraph (a) of this section.

§ 300.232 Exception to maintenance of effort.

An LEA may reduce the level of expenditures by the LEA under Part B of the Act below the level of those expenditures for the preceding fiscal year if the reduction is attributable to the following:

(a)(1) The voluntary departure, by retirement or otherwise, or departure for just cause, of special education or related services personnel, who are replaced by qualified, lower-salaried staff.

(2) In order for an LEA to invoke the exception in paragraph (a)(1) of this section, the LEA must ensure that those voluntary retirements or resignations and replacements are in full conformity with:

(i) Existing school board policies in the agency;

(ii) The applicable collective bargaining agreement in effect at that time; and

(iii) Applicable State statutes.

(b) A decrease in the enrollment of children with disabilities.

(c) The termination of the obligation of the agency, consistent with this part, to provide a program of special education to a particular child with a disability that is an exceptionally costly program, as determined by the SEA, because the child—

(1) Has left the jurisdiction of the agency;

(2) Has reached the age at which the obligation of the agency to provide FAPE to the child has terminated; or

(3) No longer needs the program of special education.

(d) The termination of costly expenditures for long-term purchases, such as the acquisition of equipment or the construction of school facilities.

§ 300.233 Treatment of Federal funds in certain fiscal years.

(a)(1) Subject to paragraphs (a)(2), (a)(3), and (b) of this section, for any fiscal year for which amounts appropriated to carry out section 611 of the Act exceed \$4.1 billion, an LEA may treat as local funds up to 20 percent of the amount of funds it is eligible to receive under § 300.712 from that appropriation that exceeds the amount from funds appropriated for the previous fiscal year that the LEA was eligible to receive under § 300.712.

(2) The requirements of §§ 300.230(c) and 300.231 do not apply with respect to the amount that may be treated as local funds under paragraph (a)(1) of this section.

(3) For purposes of this section:

(i)(A) An LEA is not eligible to receive funds during any period in which those funds under this part are withheld from the LEA because of a finding of noncompliance under § 300.197 or § 300.587.

(B) An LEA is eligible to receive funds that have been withheld under § 300.197 or § 300.587 but are subsequently released to the LEA within the period of the funds availability.

(ii) An LEA is not eligible to receive funds that have been reallocated to other LEAs under § 300.714.
